02 Overall impact

Overall, how would you rate your eyesight now?

○ Excellent ○ Good ○ Fair ○ Poor ○ Very poor

Does your vision stop you from doing things you need or want to do?

○ No ○ Sometimes ○ Often

Have you had a fall or near-fall because of your vision in the last year?

○ No ○ Yes

Has a doctor or the licensing authority restricted your driving?

○ No ○ Yes

What would you most like to be able to see better? (your top goals)

03 Scoring

clinician

Sum of answered items	No. of items answered (excl. N/A)	Mean difficulty (sum ÷ answered) 0–4	Items rated 2

Documentation aid, not a validated cut-off score. For surgical necessity, record which specific activities are impaired, that impairment persists with best correction, and the patient's wish to proceed (EYE-22).

Glare BCVA (if tested) OD / OS	Reviewed by	Date
