- ☐ Daylight driving only
- ☐ Outside mirrors required
- ☐ Speed / area restriction
- ☐ Re-examination required

Next review due

Comments for the authority / school / employer

> Commercial driving standards vary by jurisdiction (e.g. US FMCSA: at least 20/40 in each eye and both eyes, ≥ 70° horizontal field in each eye, and ability to recognise traffic-signal colours). Always apply the requesting authority's current standard.

04 Certification

I certify that I personally examined the person named above on the date stated and that the results are accurate.
